### Fun Day 22 June 2013

Courtesy of the 'Tuesday Players', the third FUN DAY was held after sufficient funds were collected to make a day of relaxation and laughter possible once more. This day is becoming a very popular day on the club's calendar and nice prizes are usually up for grabs. A big thank you to especially Cynthia and Frans and also to all the other eager hands for making this day possible and so much fun! Keep up the good work!

*Top left: Cynthia welcomed all present and Frans explained the rules of play for the day.*

*2nd from top: It's a fun day and players were in a relaxed mood before the games started - the usual naughty ones can be seen on the right.*

*3rd from top: Some players pretending to concentrate and listen as Frans explains the rules of play.*

*4th from top: Now we're talking! Prizes galore up for grabs! No players had any reason to be thirsty or hungry or dirty at the end of the day!*

*Bottom left: First Prize went to Freda, Hennie and Abrie. Well done guys!*

*Bottom right: Second Prize went to Keith, Bessie and Christine. Congratulations!*
