### BSA - Rolbal Etiket

13.1 Hoe meer spelers aan 'n wedstryd deelneem, hoe groter is die noodsaaklikheid om die etiket reëls na te kom. Die span wal bedagsaam, vriendelik en kalm is vorm 'n aangename geheel wat respek afdwing. Deur etiket na te kom word vriende gemaak, wrywing vermy en word rolbal 'n sport wat almal kan geniet.

### BSA - Etiquette of Bowls

8.7 Remember that the players in your team are as anxious to win as you are. It is poor etiquette to show annoyance or disappointment should a teammate not perform. A wise skip will encourage his team with a complimentary remark, an occasional pat on the back or a shake of the hand.
