## WELL DONE BOYS!!

Congratulations to our boys for winning the First League! A job well done for Abrie Schutte, Angus Macdonald, Bobby Lion, Frans Hauptfleisch and Pieter Griessel. Thanks to Piet Cilliers (inset) for his help in getting there! Next year the bar will be raised as our men will compete in the Premiere League.

## Team is King!

*Coming together is the beginning. Staying together is progress. Working together is success.*

The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the team won't be worth a dime.

*The strength of the team is each individual member. The strength of each member is the team.*

A group becomes a team when each member is sure enough of himself and his contribution to praise the skill of the others.

# Parys Sponsor Day 21 March 2013

Bo: Cynthia, Frans, Ansie en Angus het ons klub se naam hoog gehou en tweede plek verower in hulle afdeling.

Regs: Cynthia het sout in die wonde gevryf en die prys gewen vir die meeste "touchers" in haar afdeling.

En dan moet daar ook 'n verloor span wees! Rudi, Piet, Linda en Theunis het die agterhoede gedek met die "BOOBY" prys! Gooi eiers!

Gelukkig was Cynthia daar om vir Rudi te troos!

# NABB Sponsor Day 24 March 2013

Rudi, Piet, Salome and Theunis won First Prize at this event.

**BSA - Rolbal Etiket**

9.19 Al die spelers behoort slegs na die kopkant toe te beweeg nadat die laaste bal tot stilstand gekom het. Maak seker dat jy binne jou baan bly. Tydsame opstap na die kop is nie aanvaarbaar nie.

**BSA - Etiquette of Bowls**

9.11 Do not make excuses for bad play. If a green happens to be bad, play it - it is the same for both sides. As in most sports, you make your own luck. The good fortune will go to the team with the most bowls in the head. Be humble in victory and be graceful in defeat.
